

CHILL Talent Office – Develop Talent & Organizations – HR Internship via CHILL

Develop Talent & Organizations – HR Internship via CHILL

Do you want to gain experience in HR and recruitment within an innovative environment? Then an internship via CHILL on the Chemelot Campus is perfect for you.

Chemelot is a leading campus in the chemical and materials sector, hosting over 200 companies. While the core focus of these companies is production and technology, all of them have HR departments, learning & development teams, and talent programs. This makes it an ideal environment for students with an HR or psychology background to gain hands-on experience.

CHILL helps you find the right internship within this network. By applying via CHILL, you are not applying for just one position—you have access to a wide range of opportunities.

What will you do?

- Actively search for and approach candidates
- Conduct intake interviews
- Support recruitment processes
- Contribute to learning & development strategies

Who are we looking for?

You are pursuing an MBO, HBO, or WO (Bachelor/Master) degree, for example:

- Applied Psychology
- HRM / Human Resource Management
- Business Studies

Important to know:

- Start: from September
- Internships available in Dutch and English
- No voluntary internships

If you want to know more about this internship or are interested, please contact Keanne.panis@chill.nu
